MAKE WORK EASY

EVEROK — MAKE WORK EASY

Shining Industrial Co., Ltd., operating under our own brand EVEROK, is a professional exporter and manufacturer of tools and hardware products. With nearly 30 years of export experience, we specialize in general hand tools, construction tools, home improvement tools, automotive repair tools, garden tools, pneumatic tools, power tools and accessories, and small hardware.

Our customers are located across global markets, including wholesalers, retail chains, supermarket groups, furniture suppliers, Amazon sellers, and industrial end users. Over the years, we have built a reliable supply chain, strong OEM/ODM capabilities, and a professional team handling product design, R&D, quality control, and customer service.

Today, we are moving beyond traditional export business and focusing on global brand development. Under EVEROK, with the aim "Make Work Easy" we are actively developing local distributors and agents worldwide who share our vision.

We remain committed to "Quality First, Prestige Supreme" providing competitively priced products, prompt delivery, and professional service. Whether you are sourcing tools, seeking an OEM/ODM partner, or interested in becoming an EVEROK distributor, we welcome the opportunity to cooperate with you.

EVEROK. Make Work Easy.

CORDLESS ELECTRIC AIR BLOWER

Key Feature

- Large-capacity lithium battery, with extremely long standby time
- Lightweight design, easy to operate with one hand
- Dual working modes of blowing air and inhaling air are applicable in both household and industrialized scenarios
- Turbocharging fans achieve greater wind power while saving electricity
- The intelligent battery cell system offers eight protective functions, including high-temperature protection, high-voltage protection, and overcharge protection, etc.

Specifications

Item No.	Parameters
POP-002-01	Battery voltage: 20V
	Battery capacity: 5.0Ah
	No-load speed: 16000±10%r/min
	Air volume: 1.3-3.2m³/min
	Wind speed: 15m/s

LITHIUM-ION BRUSHLESS CHAIN SAW

Key Feature

- Large-capacity lithium battery, with extremely long standby time
- Lightweight design, easy to operate with one hand
- The chain is sharp and the tightness can be adjusted. It cuts quickly and the cut edges are smooth and clean
- The safety guard with automatic rebound feature prevents wood chips from flying and protects hands from being cut
- Multi-ventilation port design facilitates rapid heat dissipation and effectively prevents the device from overheating
- The dual-button safety switch design prevents accidental touches and is safer

Specifications

Item No.	Parameters
POP-001-01	Battery voltage: 20V
	Battery capacity: 5.0Ah
	No-load speed: 6800r/min
	Maximum power: 1000W
	Chain speed: 7m/s
	Length of guide plate: 200mm

LITHIUM-ION BRUSHLESS AIR BLOWER

Key Feature

- Large-capacity lithium battery, with extremely long standby time
- Industrial-grade ultra-high power, with strong performance
- Turbocharging fans achieve greater wind power while saving electricity
- Dual-section air duct design, allowing for lengthening or shortening, offering more application scenarios

Specifications

Item No.	Parameters
POP-003-01	Battery voltage: 20V
	Battery capacity: 5.0Ah
	No-load speed: 23000±10%r/min
